# MeetPoll

Easy planning for group meet ups.

## Functionality

- Make it easy to plan group meet ups
- Custom search options for each event to find the perfect location.
- Lets everyone have a voice on where they would like to meet.
- Keep track of all your invites and upcoming events in one place.

Make your voice heard, vote on where you want to meet up.

See where everyone wants to meet

## Future Releases:

In App Group Messaging

Photo Sharing (Facebook, Twitter. Etc)

Third Party App integration (Foursquare, OpenTable)
